Re: Notification of EveryCall Communications, Inc. dba All American Home Phone
and dba Local USA's Intent to Discontinue Services

Dear Ms. Boyd,

EveryCall Communications, Inc., dba All American Home Phone and dba Local USA ("EveryCall" or the "Company"), hereby notifies the Commission that it intends to discontinue the provision of resold prepaid and postpaid wireline local exchange and interexchange services to both lifeline and non-lifeline customers within the State of South Carolina. In response to changing market conditions, EveryCall has determined that it is no longer feasible to offer these services. The proposed discontinuance will not result in harm to the affected customers because they are being provided ample advance notice of the discontinuance and equivalent lifeline and non-lifeline service offerings are available from other carriers, including the underlying carrier whose services EveryCall resells.

In connection with this filing, EveryCall submits the following information:

1. Description of Discontinuance

The Company

EveryCall Communications, Inc. dba All American Home Phone and dba Local USA
4315 Bluebonnet Blvd., Suite A
Baton Rouge, LA 70809

EveryCall provides intrastate services in South Carolina pursuant to authority granted by the Commission.¹ EveryCall provides these services to both lifeline and non-lifeline customers on both a prepaid and postpaid basis.² Because EveryCall does not intend to continue offering any telecommunication services within the State of South Carolina, the Company wishes to surrender its authorizations, including its ETC Designation, concurrently with the discontinuance of service.³

Date of Proposed Discontinuance

Subject to receipt of necessary regulatory approvals, the Company plans to discontinue the affected services on June 15, 2014. *All customers were mailed notice on April 15, 2014 of the anticipated discontinuance of service.*

Services to be Discontinued and Affected Customers in South Carolina

EveryCall proposes to discontinue prepaid and postpaid wireline local exchange and interexchange services currently provided to both lifeline and non-lifeline customers using AT&T as the underlying carrier. At this time, EveryCall delivers these services to approximately 41 Lifeline customers and 28 non-lifeline customers in South Carolina.

Date and Method of Customer Notice

On April 15, 2014, EveryCall sent written notice by first-class mail to affected customers, informing them that the Company will cease providing the local exchange and long distance services that they currently receive, effective June 15, 2014. Separate notices were sent for lifeline customers serviced under the All American Home Phone dba. The notices clearly underscore that customers must make arrangements with another carrier to avoid loss of service and provide a toll-free number that customers may call to reach EveryCall service representatives for assistance with this transition. Sample copies of the

¹ EveryCall was granted telecommunications authority by Commission Order No. 2004-47 in Docket No. 2003-297-C on January 30, 2004.

² EveryCall was granted designation as an eligible telecommunications carrier ("ETC") by Commission order in Docket No. 2009-65-C.

³ 47 CFR §54.205 allows a state commission to permit an eligible telecommunications carrier to relinquish its designation as such a carrier if the area is served by more than one eligible telecommunications carrier upon advance notice and upon finding that all customers served by the relinquishing carrier will continue to be served by the remaining ETCs.

notices, which also comply with the requirements of the Federal Communications Commission ("FCC"), are appended as Exhibit A.⁴

Questions and correspondence regarding this Notice should be addressed to:

3. Circumstances of Discontinuance

As discussed above, EveryCall has determined that market conditions make unfeasible its provision of prepaid and post-paid intrastate services using AT&T as the underlying carrier. Consequently, the Company proposes to discontinue its service offerings at this time.

4. Public Interest Considerations

Commission approval of this plan will serve the public interest. Both the lifeline and non-lifeline services offered by EveryCall are available from other providers and ETCs in the South Carolina market. Consequently, EveryCall's customers will not be unduly harmed as they will be able to transition to new providers and continue to be served by the remaining providers and ETCs in the area currently served by EveryCall. Consistent

⁴ EveryCall is filing a Section 63.71 application with the FCC for approval to discontinue the domestic interstate services provided as part of these service offerings. A copy of that filing will be served on the Commission.

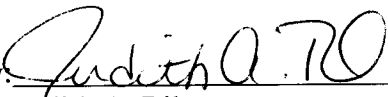

with South Carolina and FCC requirements, EveryCall's customers have been given sufficient advance notice of the need to select a new provider such that they will be able to do so in a thoughtful and informed manner. Company representatives will be available throughout the transition period to assist with this process.

5. Summary

Subject to any required regulatory approvals, EveryCall expects to implement the proposed discontinuance on June 15, 2014. Should the Commission have any questions regarding this filing, please contact the undersigned.

Respectfully submitted,

EveryCall Communications, Inc.

**Notice of Discontinuance of Your
Telephone Service By
EveryCall Communications, Inc.
DBA Local USA**

Dear Customer:

EveryCall Communications, Inc., DBA Local USA regrets to inform you that it is preparing to cease providing local and long distance service to customers in your service area.¹ **In order to avoid a disruption in service, you must make arrangements for service with a new telephone company before the cut-off date noted below.** The names and telephone numbers of local telephone service companies, which also typically provide long distance service, are listed in your telephone directory. Customer service representatives at these companies will help you to select services to most effectively replace your current Local USA Service. If you arrange for new service before your Local USA service is terminated and wish to keep your current telephone number(s), please be sure to address this with your new service provider.

Subject to regulatory approvals, your service cut-off date is June 15, 2014. If you do not arrange to have your telephone service provided by a new telephone company prior to June 15, 2014, you may lose telephone service (which means that you will be unable to make local calls including 911) and you may not be able to keep your current telephone number(s) with the new service provider. Effective with this notice, Local USA will not make any changes to or reconnect existing service and will not accept orders for new service.

The Federal Communication Commission requires us to provide you with the following notice in connection with its review of the proposed discontinuance:

The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of EveryCall Communications, Inc. Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service.

We thank you for being a Local USA customer and wish you well with your new provider. Should you have any questions, please contact Local USA at 1-800-336-4588

Sincerely,

Local USA
